

# ELM COTTAGE TOURING PARK

Proprietors Chris & Chris Buss

Chester Lane, Near Winsford, Cheshire CW7 2QJ Tel: 01829 760544

## Environmental Policy

We are committed to monitoring and reducing the impact of our activities on the environment and have the following environmental objectives:

### Efficiency

Our aim is to use energy efficient lighting and appliances wherever possible within the parks facilities.

### Waste and Recycling

Our aim is to minimise litter onsite and recycle as much as possible. We ask all our guests to help by using the appropriate waste containers provided.

### Raw Materials

By continual monitoring the usage of raw materials (especially water, gas and electricity) we strive to find ways to reduce consumption.

### Wildlife

We are continually looking for ways to decrease the impact our business has on local wildlife.

### Neighbours

We aim to be good neighbours by keeping our boundaries neat and tidy and by lessening the impact of our business by the use of natural screening. We aim to use local services and goods whenever suitable.

### Training

By continuous training we enable our employees to implement and adhere to this environmental policy.

### Legislation

We will ensure we meet and exceed all relevant and current environmental legislation with regards to our business operation.

This Environmental Policy will be reviewed on an annual basis, or within a shorter time-frame if deemed significantly necessary, so that we can continually improve, monitor progress and keep our staff and customers well-informed and updated with our practices.
